**Nursing Workshop: A Hands-on Approach in Best  
Practices**

**Sunday August 18<sup>th</sup> 9:45 am – 4:30pm**

**Course Description: This workshop spotlights the importance of global nursing collaboration and dissemination of best practices to improve burn outcomes. Five one-hour practical sessions focus on burn nursing priorities utilizing hands on learning strategies that center around dressings, devices, positioning, splinting, post-op care, special population needs (pediatrics/geriatrics), and simulations. All sessions will provide nurses with the opportunity to enhance their burn care skills and knowledge while fostering relationships within the international burn nurse profession. There is no fee for the course we just ask that you kindly RSVP to [michelle.hughes@jefferson.edu](mailto:michelle.hughes@jefferson.edu) by August 1<sup>st</sup>.**
